Chief William Porter*

October 10, 2017

Dear Parents and Guardian:

Charles County Dive Rescue (CCDR) is a non profit organization here to serve the citizens of Charles County by providing properly trained and equipped divers to assist in underwater emergencies. Further, we strive to raise public conscience concerning safety around water and ice.

Our primary fundraiser "**Vampire Manor**" supplies funds to purchase and service equipment, as well as provide training. This year will mark the 29th anniversary of Vampire Manor. Wow!!

The officers and members of CCDR appreciate every year your children have come out and participated in making our show a success. We would not have come this far without them.

We are asking you sign a permission slip to allow your children to participate in "Vampire Manor." We are also requiring you provide a number so you may be contacted in case of an emergency while your children are at "Vampire Manor." Being a professional organization, we do not allow drugs or alcohol on-site. Please talk to your children about this. During the show, we have Police Officers on duty to provide for safety and assistance when necessary. Although not expected, accidents occasionally may happen. By signing this agreement, you are stating you will not hold Charles County Dive Rescue, its members, affiliates, or other volunteers responsible for any injuries that may occur to your child. We want your children to come out and have fun while participating in this worthwhile event.

Thank you.
